

CLUB NEWS

JANUARY 2002

A Very Happy New Year to You All.

At long last the news we have all been waiting for – the ‘at risk’ status for last years devastating outbreak of foot and mouth disease has finally been removed from Great Britain.

We are delighted to be able to fully resume our club activities with immediate effect

Recent Changes.

Our club will now run two six month programmes from April to September and October to March (dates to the end of March 2002 are printed below)
