Please amend your walks programme.

Club Membership.

At the meeting it was agreed to set the club membership at £2.00 per person to be reviewed at our A.G.M. to be held on 27th September. Further details in our next newsletter

Gill Lodge our club treasurer was bombarded with people wishing to pay their membership, a very encouraging start, and has recently informed me that we now have 33 fully paid up members.

If you wish to pay your membership to the club you can complete the attached membership form and leave it with your remittance at Stutton Road Post Office, or alternatively you can return your subscription directly to Gill Lodge at 5, Church Crescent, Stutton, Tadcaster, North Yorkshire, LS24 9BJ Telephone 01937 833905.

Members will receive a copy of the club walking programme and the club newsletter, which will be produced quarterly.

Gaynor our club secretary has been busy compiling a membership details list which will eventually be issued to everyone so we can keep in touch when necessary.

I would at this point like to say a very big thank you to everyone who has helped to get the club up and running, or should that be walking.

With an extra special thank you to our club committee members.

Car Sharing.

Concern was shown by our walk leaders as to what would happen if on any given walk sufficient transport was not available?

From the questionnaire which prospective members filled in, one of the questions asked about the possibility of car sharing the response was that 85% of people would be prepared to use their car on a shared basis.

Therefore if you intend going on any of the arranged club walks please meet in the main bus station car park at the agreed time to sort out transportation, this may mean leaving a number of cars at the car park, but should always ensure that there are no disappointments on the day of the walk. Please contact the walk leader if you require any further information about the walks, Telephone numbers are in the walks programme.

Your support in this matter is greatly appreciated, thank you.

Three Mountains Challenge Update.

The three mountains challenge team is pleased to welcome Martin Overton to the team Martin and his wife Pat are both club members and very keen walkers, having walked extensively in both Britain and abroad.

Martin has climbed all three mountains Ben Nevis, Sca Fell, and Snowdon before although not in one weekend.

The team is now complete and is busy collecting sponsors for the event and fine-tuning its plans.

If you would be prepared to help the team by sponsoring Martin or Paul or could perhaps help in some other way please contact, Martin 01937 832593 or Paul 01937 834646 and help us to help the British Heart Foundation reach this years target.

Club Weekend Away

We are planning a walking weekend away in order for us to plan this weekend we need to know how many people would be interested.

We would possibly hire a minibus for the weekend and accommodation would be in a Youth /scout hostel or outdoor centre.

It is intended to try and arrange this weekend in mid to late 1999 or early 2000, and the cost is expected to be in the region of £40.00

If you are interested and perhaps able to help organise this weekend please contact Paul Grier 01937 834646.
