

Tadcaster Country Walking Club

NEWSLETTER No5

A.G.M.

Our first club Annual General Meeting has been arranged at the Bay Horse Inn Tadcaster on Wednesday 6th October at 8.00 p.m.

Please make every effort to attend because your opinions and support are vital to the future and success of our walking club.

At the AGM we will be electing our club committee as well as looking for suggestions for our walks programme next year.

We urgently require more club members to lead club walks, at present we rely on five regular walk leaders to organise and lead walks

Unfortunately it has been necessary to cancel or rearrange one or two of our club walks this year due to illness and situations beyond our walk leaders control.

Where possible these walks have been re arranged for this year but if for whatever reason they can not be they will be included in next years walks programme

WALKS UPDATE

Additional walk.
